

Southern Charm Quilts

Modern Priscilla Quilt Block

1. Make section A, B, and C. Remove papers, then press all seams open (this is important).
2. Sew section A to Section B. There is a slight Y-seam involved. Do not sew on top of seams. Start sewing down, stop at seam allowance and back stitch. Start sewing again after seam allowance, back stitch a few stitches to secure. Repeat step 2 until A is sewn to B. Press away from the center.
3. Repeat step 2 while sewing section C to AB.
